

Sinclair Broadcasting is using its agenda to act as news in a non-balanced manner. That is neither fair nor honorable.

Please insist that the anti-Kerry derogatory ads are not used on our news' stations such as KQVR, Ch. 13 in Sacramento, nor anywhere else during this important two week period before the elections.

ALL pro and con ads should be balanced with equal time for each in side-by-side airing.

Help me by holding Sinclair to a fair standard.
